Disability Services

As an Equal Access/Equal Opportunity Institution, Broward Community College assures students with disabilities equal access to all college programs, activities and services. Individuals who plan to attend BCC should contact the Disability Services Specialist on the campus they plan to attend. The Disability Services Specialists will inform students about laws protecting qualified individuals with disabilities, as well as identify for them the college personnel who assist in maintaining nondiscrimination policies. In addition, they will facilitate the provision of appropriate accommodations based upon documented individual needs.

Some of the services available are note-taking, specialized testing, sign language interpreters, readers, scribes, tutoring, and use of assistive hardware and software. In addition, other specialized equipment is available to assist students with disabilities in pursuing their academic objectives. In order to avail oneself of the special services, a student must register with the office of Disability Services on their campus and provide the Specialist with recent documentation of their disability. Students receiving assistance from Vocational Rehabilitation or Division of Blind Services are required to apply for financial assistance at Broward Community College. For more information contact the Disability Services Specialist on your campus:

Loans

Loans are financial assistance that must be repaid usually with interest in a specific time period. Often repayment is deferred while students are attending classes.

Employment

Work-study programs at BCC provide part-time jobs on and off campus for students to enable them to earn part of their college expenses while gaining valuable experience. For on-campus employment, students work up to 20 hours a week. The off-campus employment program places students in areas of career interest.

Scholarships

Scholarships are usually awarded to students who demonstrate academic excellence or exceptional talent or skills. Each scholarship has its own criteria, requires a separate application and does not require repayment. Information on scholarships can be found on our website.

Grants

Grants are federal and state assisted programs that do not require repayment. This type of aid is generally awarded to individuals who demonstrate exceptional financial need. Federal grants include the Pell Grant, the Supplemental Education Opportunity Grant, and Florida Student Assistance Grant.

Student Financial Services

Veterans Affairs

Broward Community College is an approved site for training veterans for associates of arts degrees, associate of science degrees and some approved certificates. Veterans' advisors are available to answer questions and if necessary, refer the student to the Department of Veterans Affairs. There is literature available at all the Student Financial Services offices to further assist veterans.

Return of Title IV Funds Policy

The Return of Title IV policy applies to any student who has withdrawn from all BCC classes in a term he/she is receiving any form of Title IV aid. This includes Pell Grant, Supplemental Opportunity Educational Grant, Stafford Loans both Subsidized and Unsubsidized. The Office of Student Financial Aid will apply the Federal Title IV formula to determine the percentage of funds that were "earned" for the portion of the term enrolled. If a student has received more aid than he/she is entitled to based on the date of withdrawal from classes, federal law requires that the student must repay the college within 45 days of notification or lose eligibility for future federal aid payments. Brochures are available from the Student Financial Services office that details the complete policy on the Return of Title IV funds.

Leadership Development

Broward Community College is dedicated to providing opportunities and programs that will continue to develop leaders as well as provide current student leaders opportunities to fine-tune and expand their skills. There are four unique components offered to develop leadership skills of students at Broward Community College, providing both cognitive and experiential opportunities:

SGA is the bridge that students are always welcome to cross, which connects the faculty, staff, and administration to the student body. SGA looks for student concerns and finds ways to resolve problems. The membership is open to any and all interested students, without discrimination. SGA also offers various leadership opportunities in many different levels. Selected students become involved in campus, college-wide, district, and state level events.

The concept of TEAMWORK is constantly practiced, and students learn conflict resolution. The Student Government Associations at Broward Community College are always looking for new ideas, faces, and inspiring minds. Alternatively, College counselors may be used to assist students who exhibit less severe disruptive behavior.

All records associated with the treatment or disciplinary process shall be kept confidential. Students treated for a mental disorder under this policy are protected by the Americans with Disabilities Act of 1991 and Section 504 of the Rehabilitation Act of 1973.

Students suspended under this policy shall (1) receive a 100% refund for the term during which they were suspended and (2) re-enroll only after certification by a licensed clinical psychologist or psychiatrist, a recommendation from a campus Dean of Student Affairs, and approval by the Vice President for Student Affairs.

Procedures: Dismissal of Disruptive Students

For students suspended or expelled under this policy, the campus Dean of Student Affairs shall consult with the student's Professors regarding the student's grades for the term during which they have been suspended or expelled. Final determination of grades, however, shall rest with the Professors.

If a student has been removed from the College through disciplinary dismissal, expulsion, or suspension due to disruption of the educational process, or the endangerment of the health and safety of others, and returns to the College in a subsequent academic term as a student, the Vice President for Student Affairs or his/her designee may share with the student's teachers otherwise confidential information concerning the student when in his/her judgment it will further educational interests. To protect confidentiality and the possible sensitive nature of the information, the Vice President for Student Affairs or his/her designee should share the information in person with the Faculty member, and point out the nature of the information and its educational relevance. Only relevant information should be shared, not the entire record. No copies of the record shall be made.

All referrals for immediate intervention with a disruptive student will be made to the appropriate campus Dean of Student Affairs. The Dean will assess the student's condition and if further evaluation is needed will consult with the Vice President for Student Affairs. The Dean and the Vice President will determine whether an

Disruptive Student Policy

evaluation with an agency consultant is necessary, and the Vice President or his/her designated representative will make the referral to a professional clinician for psychological and/or psychiatric evaluation.

The student will be informed of the reason(s) that he/she is being referred for the initial evaluation and that the College will assume the expense for this evaluation if the student does not have financial means. The results of the evaluation will be used by the Vice President, the Dean, and other appropriate staff in determining the student's enrollment status with the College.

The College will retain the services of professional clinicians who:

- 1) Are state licensed and have appropriate credentials in the field of mental health, according to State of Florida guidelines.
- 2) Are available to the student within two hours after initial contact with the Vice President or Dean of Student Affairs.
- 3) Provide services which are available daily through 10:00 PM, 7 days a week.
- 4) Are geographically accessible at convenient locations.
- 5) Will provide a written evaluation and diagnosis of the student in a timely manner following referral.
- 6) Will provide information regarding follow-up treatment if necessary.
- 7) Have the ability and available personnel to provide immediate crisis intervention, if the severity of the incident or client's condition so warrants.

Re-entry Process. If a student who has been removed from the College under the Disruptive Student Policy, applies for re-entry to the College, the following process will be followed:

- 1) The Vice President for Student Affairs or his/her designee, must be contacted by the student regarding their request for college re-entry. The Vice President for Student Affairs or his/her designee will refer the student to the appropriate campus Dean of Student Affairs or the Dean's designee.
- 2) The student's class selection must be approved by the campus Dean of Student Affairs or Dean's designee during their first term re-enrolled at the College. Classes chosen will be appropriate to student's background and to their educational plans.

Disruptive Student Policy

- 3) Prior to the beginning of the student's first term of re-enrollment, the campus Dean of Student Affairs or Dean's designee will inform the student's instructor of any relevant educational information.

Sexual Harassment/Assault

Sexual Harassment Policy (5.20)

The Sexual Harassment/Battery/Assault policy protects against and deals with sexual harassment:

Sexual Harassment. As established in Broward Community College Policy 6Hx2-3.31, Sexual Harassment, the College intends to protect all students from sexual harassment.

Sexual Harassment Defined. For the purpose of this policy, sexual harassment is defined as any unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature which (1) makes submissions to or rejection of such conduct either an explicit or implicit basis for academic decisions affecting the individual or (2) unreasonably interferes with the individual's academic performance by creating an intimidating, hostile, or offensive environment.

Conduct which falls into the definition of sexual harassment includes, but is not limited to:

- ◆ Unwelcome physical contact of a sexual nature such as patting, pinching, or unnecessary touching.
- ◆ Overt or implied threats against an individual to induce him/her to perform sexual favors or to engage in an unwelcome sexual relationship.
- ◆ Verbal innuendos or jokes of a sexual nature, including graphic or degrading verbal comments about an individual and/or his or her appearance.
- ◆ Use of sexually suggestive terms or gestures to describe a person's body, clothing, or sexual activities.

Complaint Procedure: The Procedure for filing a complaint regarding sexual harassment is set forth in BCC Procedure A6Hx2-5.22, Non-Discrimination and Harassment Procedure for Students. All complaints and investigations of sexual harassment will be kept as confidential as possible to the extent allowed by law.

Sexual Harassment/Assault

In accord with the definitions in that policy, any student who engages in the sexual harassment of any officer, employee, student, or agent of the College shall be subject to disciplinary action.

Sexual Battery/Assault. No student may commit or attempt a sexual battery/assault against any student or employee of the College or against any person at a College sponsored or supervised activity. In addition to any criminal or civil actions which may be pending or in process, the College may pursue a separate disciplinary action against any student believed to have committed or attempted a sexual battery as defined in Broward Community College Policy 6Hx2-3.32, Sexual Battery/Assault.

Sexual Battery Defined. Commonly referred to as rape, sexual battery shall be defined in accordance with Florida Statutes, Chapter 794.011, as a criminal act consisting of "oral, anal, or vaginal penetration by, or union with, the sexual organ of another or the anal or vaginal penetration of another by any other object" without that person's consent. Consent means intelligent, knowing, and voluntary consent and does not include a coerced submission or a submission obtained by threatening the victim. Consent shall not be deemed or construed to mean the failure by the alleged victim to offer physical resistance to the offender. Furthermore, consent cannot be obtained from a person who is temporarily or permanently incapable of appraising the nature of his/her conduct. For example, a person who is under the influence of an intoxicating substance may be unable to appraise the nature of his/her conduct. Under Florida law, both males and females may be victims of sexual battery. It does not matter whether the victim knew his/her attacker (date/acquaintance rape) or did not know his/her attacker (stranger rape). It does not matter if the victim has had a previous relationship with his/her attacker.

Procedures: Sexual Harassment/Assault

The Non-Discrimination and Harassment Procedure for Students, A6Hx2-5.22, is the appropriate procedure to file a complaint of sexual harassment.

Sexual Battery/Assault: The President has delegated responsibility for administering this procedure to the Campus Deans of Student Affairs. Any violation of Broward Community College Policy 6Hx2-5.20, Sexual Harassment/Battery/Assault, on-campus or at College-sponsored events, shall be reported immediately to the campus/center chief student affairs officer or the campus Provost and/or the Campus Security Office. The chief student affairs officer shall immediately confer with the Vice President for Student Affairs and notify appropriate law enforcement agencies. The investigation of sexual battery/assault shall be the responsibility of law enforcement personnel.

Sexual Harassment/Assault

College personnel shall assist by processing evidence, providing names of witnesses, offering counseling support to victims and their families and arranging referrals to community agencies as necessary.

In order to alleviate rumors and promote understanding and calm, the campus provost/center director, in coordination with the Director of College Relations, shall also provide information to the campus community about the incident.

In the event an alleged perpetrator of a sexual battery/assault is an enrolled student, the chief student affairs officer, campus provost/center director, and the Vice President for Student Affairs shall first consult with law enforcement personnel and the College attorney and then decide whether immediate suspension from the College is warranted, pursuant to College disciplinary process as outlined in the Student Handbook.

In the case of off-campus violations of this policy involving students, the chief student affairs officer, campus provost/center director and Vice President for Student Affairs may assist law enforcement personnel consistent with the Family Educational Rights and Privacy Act and applicable Florida Statutes. Victim counseling and other support shall also be provided according to the needs of the victim and family members.

Non-Discrimination Policy

Non-Discrimination and Harassment Policy (5.22)

The Non-Discrimination and Harassment policy was developed to uphold laws protecting students against discrimination of all types.

General Statement: Federal and state laws protect students and student applicants against discrimination.

- 1) Broward Community College affirms its commitment to ensure that each student shall be permitted to study and otherwise participate in the BCC community in an environment free from any form of illegal discrimination, including race, color, religion, age, disability, sex, sexual orientation, national origin, marital status, and veteran status. The College recognizes its obligation to work towards a community in which diversity is valued and opportunity is equalized. This rule establishes procedures for a student to file a complaint of the alleged discrimination or harassment.
- 2) It shall be a violation of this policy for any officer, employee, or agent of the College to discriminate against or harass, as hereinafter de-

Non-Discrimination Policy

fined, any student or student applicant. Discrimination and harassment are forms of conduct that shall result in disciplinary or other action as provided by the rules of the College.

Definitions:

- 1) For the purpose of this policy, discrimination and harassment are defined as treating any student or student applicant differently than others are treated based upon race, color, religion, age, disability, sex, sexual orientation, national origin, marital status, or veteran status.
- 2) Conduct that falls into the definition of discrimination includes, but is not limited to:
 - a) Disparity of treatment in educational programs and related support services on the basis of membership in one of the listed groups.
 - b) Limitation in access to participation in athletic, social, cultural or other activities of the College because of membership in one of the listed groups.
 - c) Discrimination of the foregoing types on the basis of sex, unless based on legal distinctions in needs for restrooms, athletics, and other such areas.
 - d) Retaliation for filing complaints or protesting practices that are prohibited under this policy.
- 3) Conduct that falls into the definition of harassment includes, but is not limited to, harassment based on race, color, religion, age, disability, sex, sexual orientation, national origin, marital status, or veterans status. (For harassment on the basis of sex, see Policy 6Hx2-5.20 Sexual Harassment). Within the context of this policy, harassment is defined as conduct that unreasonably interferes with a student or student applicant's status or performance by creating an intimidating, hostile, or offensive environment. It includes offensive or demeaning language or treatment of an individual where such language or treatment is based typically on prejudicial stereotypes of a group to which an individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual.
- 4) Scope of prohibitions: Activities covered under this policy include, but are not limited to, all educational, cultural and social activities occurring on campus or sponsored by BCC.

Non-Discrimination Policy

Procedures: Non-Discrimination Policy

Administration. The Chief Student Affairs Officer on each campus shall administer procedures as they apply to students. The Chief Student Affairs Officer shall answer inquiries regarding procedures contained in policy and may provide informal advice to students who are unsure whether they have been victims of discrimination or harassment.

Informal Complaints. Any student who believes that he/she has been the subject of discrimination or harassment may seek advice or consultation from the campus Chief Student Affairs Officer who may assist the complainant in formulating a plan for resolution of the problem. If the complaint involves an employee, the Director of Employee Relations & Affirmative Actions must be notified. An informal complaint must be filed within 180 days of the alleged act(s) of discrimination or harassment. Should the problem not be resolved satisfactorily using the informal process, the complainant shall have 30 days to file a formal complaint.

Formal Complaints. A formal complaint must be made in writing and submitted to the Campus Provost/Center Director. The written complaint shall contain the name of the complainant and state the nature of the act(s) complained of, including such details as the name of the alleged offender(s) and the date(s) on which the offending act(s) occurred, the name(s) of any witnesses, and the desired resolution(s). A formal complaint must be filed within 180 days of the alleged act(s) of discrimination or harassment or within 30 days following the informal complaint resolution.

The Campus Provost/Center Director may attempt resolution during the course of an investigation of a complaint. The Provost shall involve the Chief Student Affairs Officer in the investigation of all student/student and student/employee complaints. (If an employee is involved, then the Provost/Center Director shall implement the employee procedure with the assistance of the Director of Employee Relations & Affirmative Action). If resolution is not achieved, then the Campus Provost/Center Director shall continue to investigate the complaint.

If resolution of the complaint was achieved between the parties and the alleged offender fails to abide by the agreement or retaliates against the alleged victim, the Campus Provost/Executive Center Director may require the complaint to proceed as if resolution had not been reached.

Resolution. Upon notification of the results of the investigation, the Campus Provost/Center Director may provide a reasonable resolution to the complaint and may also recommend or take disciplinary action against the alleged offender. Disciplinary action shall be taken in accordance with the Student Code of Conduct in the case of a student or in accordance with the policies and procedures

Non-Discrimination Policy

affecting the class of employee in terms of any applicable collective bargaining agreement.

Prohibition of Retaliation. No College student or employee shall retaliate against a complainant. Any attempt to retaliate against a student, employee, or agent for initiating a complaint shall be treated as a separate incident of discrimination or harassment.

Confidentiality. All complaints of discrimination, harassment, or retaliation and investigations of the same will be kept as confidential as possible to the extent allowed by law.

Frivolous or Malicious Complaints. In the event that a claim of discrimination or harassment is found to be frivolous or malicious, appropriate College sanctions, including disciplinary action as appropriate, shall be taken against the complainant.

Concurrent Grievance. Nothing contained in this procedure shall affect the right of a complainant to pursue the matter with an appropriate external agency.

Grievance Process for Non-Instructional Issues

Grievance Process (5.23)

The Grievance Policy assures rapid resolution of conflicts between students and faculty.

The College encourages students to resolve their differences with College employees as soon as possible; however, in order that students may be assured fair consideration of their problems, a means of review and appeal to a higher-level authority, without prejudice, is hereby established.

Grievance Defined. For the purpose of this policy a grievance is defined as a student's perception of the improper application of College policies or procedures.

Any student has a right to file a grievance. The President shall establish appropriate procedures for facilitating grievances.

Procedures: Grievance Process for Non-Instructional Issues

The following steps are established to provide a fair review of student non-instructional grievances:

Grievance Process for Non-Instructional Issues

Informal Resolution. The student shall informally submit his/her grievance, either verbally or in writing, to the supervisor of the department where the alleged improper application of College policy or procedure occurred. The student must submit his/her grievance within 30 calendar days after the incident is alleged to have occurred and the grievance must refer to the specific College Policy or Procedure that was unfairly or misapplied. Students may choose to either ask for a specific action on the part of the College or are free to simply voice their grievance without asking for any action on the part of the College.

Formal Resolution. If a satisfactory resolution cannot be reached with the supervisor of the department, the student may formally appeal the decision, in writing, to the next higher level supervisor. The student must submit his/her grievance within 30 calendar days after a response is received from the informal process. Appeals to higher levels of authority end with the appropriate campus provost/center director, or appropriate vice president.

The Vice President for Student Affairs may serve as a liaison between students and staff at all levels of the grievance process.

HIV/AIDS

HIV/AIDS (5.16)

The HIV/AIDS policy assures compliance with the Americans with Disabilities Act of 1990.

The Americans with Disabilities Act of 1990, Section #504 of the Federal Rehabilitation Act of 1973, and the Florida Educational Equity Act prohibit discrimination against persons with disabilities. Any student with HIV or AIDS may seek assistance from any Campus Disability Services Office. The following policy has been enacted pursuant to Florida Statutes 240.3191, 240.3192, and 240.3193.

In recognition of human immunodeficiency virus (HIV) infection and acquired immune deficiency syndrome (AIDS), the campus student life offices will coordinate a program consisting of education, prevention, activities, and counseling services. Students will be referred to community and governmental agencies for additional support as necessary.

No student will be denied admission to the College on the basis that he/she has HIV. The College will not inquire of any potential student as to whether or not that person has HIV except where health records are required. In accordance with Florida Statutes 381.609, and the American College Health Association's Recommended Standards and Practices for a College Health Program, any student who

HIV/AIDS

informs the College that he/she has HIV will be afforded confidentiality regarding disclosure of their medical condition. No person, group, agency insurer, employer, or institution shall be provided any medical or other information without the prior specific written consent of the affected person. In the health sciences, medical records or other information will not be disclosed unless required by the health care agency where the student is acquiring clinical experiences.

The Broward Community College Student Handbook provides further information concerning HIV and AIDS, including identification of additional campus resources that may provide further information on HIV and AIDS. Any student who feels that they have been discriminated against in violation of this policy should notify the Vice President for Student Affairs.

Community College Transfer Guarantee

The Community College Transfer Guarantee assures that students with an Associate of Arts degree are guaranteed specific transfer rights to other state colleges and universities.

Graduates with an Associate of Arts (A.A.) degree are guaranteed certain transfer rights under the Florida Articulation Agreement, Rule 6A10.024. Broward Community College graduates enrolled in an A.A. degree program who are seeking admission to a Florida Public University, will enjoy these benefits:

- 1) Students are guaranteed admission to one of the state universities, but not necessarily to a limited access program.
- 2) All credits earned toward the A.A. degree will transfer to the university.
- 3) The university catalog in effect the year the A.A. degree student enrolled at BCC will remain in effect, provided enrollment is continuous.
- 4) When the general education core is completed at BCC, a state college or university cannot require additional general education courses.
- 5) The receiving university must award equivalent credit for courses successfully completed at Broward Community College for courses in the Statewide Course Numbering System.
- 6) Accelerated credits (CLEP, dual enrollment, etc.) earned at BCC will transfer to a state university.

The receiving university reserves the right to determine what courses students must take for a baccalaureate degree. All A.A. degree credits, although transferred, may not satisfy some specific program prerequisites. A student transferring before completion of the A.A. degree does not have the above guarantees.

Students who believe that these guarantees have been denied during transfer should file a written appeal with the Vice President for Student Affairs at BCC.

Class Attendance Policy

The Class Attendance Policy outlines rules for class attendance.

(4.18)

The College believes that class attendance plays a major role in the teaching/learning process and, therefore, expects students to attend classes regularly and on time. Exceptions to this policy are set forth below.

Class Attendance Policy

Faculty Responsibilities

It is the responsibility of each faculty member to formulate an attendance policy for the courses he/she teaches and to ensure that this policy is communicated in writing in the course syllabus within the first week of class meetings. Members of the College's staff are expected to exercise good judgment in the formulation, implementation, and application of their policies.

Non-Class Days

Should unanticipated circumstances that are beyond anyone's control occur, or when concerns are raised about the safety and/or security of the students, faculty, staff, and/or the facilities, the President or his/her designee has the authority to close a campus or the College. For purposes of grading and attendance policies, the day(s) during which the campus/College is closed shall be considered a non-class day(s). When this occurs, each faculty member shall determine how best to makeup the lost class time.

Non-Penalized Absences

There shall be no penalty for a student who is absent from academic activities because of religious holy day observances in his/her own faith, the student's serious illness, a death in the immediate family, or attendance to statutory governmental responsibilities.

Student Responsibilities Relative to Non-Penalized Absences

A student shall notify instructors in advance of absence(s) to observe a religious holy day(s) in his/her own faith, and shall likewise notify instructors in advance of other absences when practicable under the circumstances. "Death in the immediate family" shall be interpreted to mean mother, father, spouse, child, brother, sister, grandparents, or grandchildren. "Statutory governmental responsibilities" refer to such matters as jury duty, subpoena for court appearance, or unplanned military obligation. If a non-penalized absence occurs on the first day of class, the student shall notify the instructor of the reason for his/her absence at the next class meeting. Documentation for non-penalized absences shall be presented by the student should the faculty member request it. The student shall be responsible for the material covered in his/her absence and shall be granted a reasonable amount of time to make up any work or test missed for non-penalized absences.

Class Attendance Policy

Extenuating Circumstances

Should a student find a difficulty in observing the attendance policy in his/her class, contact shall be made with the faculty member involved within the first week of class to work out an alternate arrangement. If an alternate arrangement cannot be made, then the student may seek an alternate class, where applicable, that accommodates his/her requirements, and do so within the first week of class.

Excessive Absences

Excessive absences from any course, regardless of the reason, may result in withdrawal of the student from the course and/or necessitate that the student repeat the course.

Classes with Special Instructional Requirements

Attendance requirements shall conform to applicable accreditation standards, licensure requirements, or other instructional requirements. Although the make up of laboratory or clinical classes may not be possible, non-punitive provisions will be made for absences caused by serious illness, religious observances, or other approved reasons. These provisions may include giving a student a W or I grade.

Appeals

A student may appeal a Faculty member's attendance policy, or the application thereof, by following the procedure for appeals concerning grades which is set forth in Broward Community College Policy 6Hx2-4.19, Grades and Grade Appeal Process.

Grades and Grade Appeal Process

The grades and Grades Appeal process policy establishes a mechanism for students to challenge a grade. (4.19)

Florida State Board of Education Administrative Rules, Chapter 6A-14.0301, limits the number of times a student may attempt a course. An attempt is defined as student enrollment after the 100 percent refund deadline.

Total Course Attempts College-Level Courses

A student may have only three attempts per college-level course, including the original grade, repeat grades, withdrawals, and audits declared after the end of

Grades and Grade Appeal Process

the drop/add period. A fourth attempt may be allowed only through a successful petition to the Academic Standards Committee based on major extenuating circumstances. Upon the third attempt (and for the fourth attempt, if recommended by the Academic Standards Committee and approved by the Vice President for Student Affairs), the student is not permitted to withdraw and will receive an A, B, C, D, or F grade for that course.

The total attempts limitation, however, does not apply to *repeatable* courses, such as music, choir, etc., that have been successfully completed and are now being repeated for further skill enhancement; or to courses that are required to be repeated by a regulatory agency; or are being repeated as part of a regulatory requirement for continuing education to stay current in a field, such as teacher certification.

Total Attempts - College-Preparatory Courses

A student may have only three attempts per college-preparatory course, including the original grade, repeat grades, and withdrawals. A fourth attempt may be allowed through a successful petition to the Academic Standards Committee based on extenuating circumstances. On the third attempt (and for the fourth attempt, if recommended by the Academic Standards Committee and approved by the Vice President for Student Affairs), the student is not permitted to withdraw and will receive an A, B, C, D, or F grade for the course. A college preparatory student may not enroll or change their registration status to audit.

Faculty Grading Policy

Each Faculty member shall communicate in writing in clear detail his/her grading policy within the first week of class meetings of each course. The policy shall be included in the syllabus for the course. The elements to be considered in calculating the student's course grade shall be clearly articulated as to value and all factors to be considered in arriving at the final grade shall be stated. Any appeal on the grade shall be considered against the background and the standard as set forth in the Faculty member's grading policy.

Final Grades and Records

Final grades for each term are recorded and preserved. Reports are submitted to students at the close of term. Grade point averages for graduation and honors are calculated only on college level academic work and include all work attempted at all colleges.

Grades and Grade Appeal Process

The following grades are used to calculate the grade point average:

The following grades do not affect the grade point average:

Grades		Points
A	Excellent	4
B	Good	3
C	Average	2
D	Passing	1
F	Failure	0

Grades		Points
I	Incomplete	0
W	Official Withdrawal	0
X	Audit	0
XW	Audit Withdrawal	0
NC	Non-Credit Course	0
NG	No Grade Assigned	0
NR	Grade Not Received	0
S	Satisfactory	0
U	Unsatisfactory	0

Non-Punitive Grades Grades which do not affect the grade point average are awarded under the following circumstances.

I Incomplete

An I grade may be given in courses where a student in good standing and with documented extenuating circumstances has not completed the required course work by the end of the term. The student should make arrangements to have the I changed to a final grade by the Instructor (by the agreed upon date) during the next full semester (summer terms are not considered in this time limit). If no change is initiated during the next full term, the I will automatically become an F on the student's permanent record. If the course work is completed, resulting in a passing grade, the student's transcript will be amended and final GPA calculated.

A grade of 'I' does not satisfy the prerequisite condition for enrollment in the subsequent course.

W Official Withdrawal

Florida State Board of Education Administrative Rules, Chapter 6A-14.0301, requires community colleges to adhere to the following procedures relating to the awarding of a W for a student withdrawal from a course.

- 1) The student may withdraw without academic penalty from any course by the mid-point in the semester.
- 2) The student will be permitted a maximum of two withdrawals per course.
- 3) Upon the third attempt, the student will not be permitted to withdraw and will receive an A, B, C, D, or F grade for that course.

X and XW Audit

A student should indicate the desire to audit a course when registering for the class and cannot change from audit to credit after the drop/add period. Up to the

Grades and Grade Appeal Process

end of the withdrawal period, a student may change to audit with the permission of the Faculty member. A student who audits a course must adhere to attendance requirements of the course and, if the Faculty member desires, in-class requirements. No grade will be assigned and no credit will be awarded; however, an audit will count as an attempt if such enrollment status is declared after the end of the drop/add period. The transcript will indicate a course was audited by listing an audit grade, but an XW indicating withdrawal may be given the student at the discretion of a Faculty member for failure to adhere to attendance or in-class requirements of the course. A student may take a course previously audited for credit but may not petition for credit on the basis of the previous audit. The cost for auditing a course is the same as taking it for credit. A department may exclude a course from audit status. College preparatory students may not enroll or change their registration status to audit.

NC Non-Credit Course

The NC is assigned automatically for any zero credit hour course. NC is used for continuing education, economic development, lifelong learning, and other classes for which no credit is awarded.

NG No Grade Assigned

The NG is used to indicate that a student has not satisfied the requirements for a non-credit class. It is also used for certain self-paced courses as well as designated Health Sciences and continuing education classes.

NR No Grade Reported

The NR is assigned by the Registrar's Office in cases where class rolls have not been submitted in time for normal processing of grades.

S and U Satisfactory and Unsatisfactory

The S and U grades are used only for those courses that have received prior approval through the curriculum review process to award the Satisfactory/Unsatisfactory grades.

Forgiveness

In accordance with *Florida State Board of Education Administrative Rules*, Chapter 6A-14.0301, a student who has completed a course and desires to improve his/her grade for that course may repeat the course only if he/she has earned a D or F grade. The number of repeat attempts is limited to two per course. Repetition of a course removes the previous grade from the student's record only for the purpose of calculating grade point average. The original grade remains on the transcript, but only the grade earned in the last attempt is used for calculating the degree grade point average. The State's Articulation Agreement does not allow

Grades and Grade Appeal Process

courses to be repeated for the purpose of changing a student's grade point average after the associate degree has been awarded.

Withdrawal Under Exceptional Circumstances

When a student is required to withdraw from a course after the official drop period, but prior to the midterm date, because of circumstances determined by the College to be exceptional and beyond the control of the student, a 100 percent refund may be approved by the Provost of the campus, the Downtown Center Administrator, or the Provost of the Center for Health Sciences Education, where the student is enrolled. Such circumstances may include, but are not limited to, serious illness, involuntary call to active military duty, or other emergency circumstances or extraordinary situations.

Grade Appeal Process

The Grade Appeal Process applies only to final course grades. Any grade received for academic dishonesty will be appealed through the Academic Standards sub-committee on discipline and is not subject to the following appeal process.

Grounds for Using the Grade Appeal Process

Any appeal of a course grade shall be considered in comparison with the standards in the Faculty member's grading policy. Each Faculty member shall communicate in clear, detailed written form his/her grading policy within the first week of the course. The policy shall be included in the course syllabus. The elements to be considered in calculating the student's grade shall be clearly articulated as to value and all factors to be considered in arriving at the final grade shall be stated. The student's appeal shall be based upon a complaint of inequitable treatment that the student can demonstrate with reasonable evidence. The appeal shall show that the grading policy was misapplied to the student.

Preliminary Action: Resolution with the Faculty Member. If a student thinks that he/she has been unfairly graded in a course, the student should meet or communicate no later than the second week of the next term with the Faculty member in an attempt to settle the disputed grade and avoid the formal Grade Appeal Process. If the student is uncomfortable with approaching the Faculty member, the Department Head may arrange the meeting between the student and Either the Faculty member or the student may request the Department Head/Center Administrator or other college official to be present. If the resolution results in a grade change, then the Faculty member shall initiate said change no later than within five working days after the meeting.

Should the Faculty member no longer be in the College's employ and/or be to-

Grades and Grade Appeal Process

tally out of contact by any means when the student files a grade appeal, then the student may initiate this informal process with the Department Head.

If the student is dissatisfied with the Faculty member's decision, then the student may begin the three-step formal Grade Appeal Process as outlined below. The purpose of this process is to determine whether or not the Faculty member followed the College grading policy as specified in the Catalog, in the *Broward Community College Policy Manual*, in the *Broward Community College Faculty Staff Handbook*, and in the Faculty member's grading policy as transmitted to the student. The process will also take into account other relevant College policies.

At any step, if the student and the Faculty member can resolve the issue, the Appeal Process is concluded. Deviations from the time frames stipulated in the formal Grade Appeal Process must be agreed to by both the student and the Faculty member.

Adjunct faculty may request the assistance of a full-time faculty mentor during the Appeal Process.

Step 1: Submission of Documents. The student will obtain a *Grade Appeal Request Package* from the Student Affairs Office or the Department Head/Center Administrator's Office. In the completion of this package, the student must include all issues and arguments and must attach all pertinent forms, paperwork, and evidence that he/she wishes to be considered in the appeal. The student must make the written appeal as soon after receiving his/her final grades as possible, but no later than within three weeks after the start of the next term. The process begins with the student submitting the *Grade Appeal Request Package* to the Faculty member via the Department Head/Center Administrator. In the absence of extraordinary circumstances, failure to complete the *Grade Appeal Request Package* in the designated time period will end the student's right to appeal. Students taking sequential courses will be allowed to enroll for subsequent classes, but students are cautioned that should they lose their appeal, they will be removed from the classes. All appropriate funds will be refunded to them.

Step 2: Mediation by Department Head. The Department Head will have five duty days to set a date acceptable to all parties for a mediation session. This mediation session shall be within ten days of the receipt of the *Grade Appeal Request Package* from the student as a result of Step 1.

Grades and Grade Appeal Process

If the Instructor is also a Department Head, the Dean of Academic Affairs/Center Administrator will designate another Department Head to conduct the mediation. In the case of the Downtown Center, the Center Administrator will ask an appropriate Department Head from one of the campuses to conduct the mediation session.

Following the mediation session, the Department Head will reply in writing to the student as to whether the request is either 'granted' or 'denied.' If the Faculty member has declined to change the recorded grade, the Department Head will convey the Faculty member's rationale to the student in the formal reply. The student will be afforded five duty days to decide if he/she desires to pursue the formal appeal with the Campus/Center Grade Appeals Committee.

Step 3: A Hearing Before the Campus/Center Grade Appeals Committee. If the student is dissatisfied with the results of the Department Head's mediation, he/she may notify the Campus Academic Dean/Center Administrator within five duty days of the Department Head's response from Step 2. The Department Head will forward the to the Campus Academic Dean/Center Administrator. The Campus Academic Dean/Campus Administrator will submit the *Grade Appeal Request Package* to the Campus/Center Grade Appeals Committee. For purposes of this policy, the Center for Health Sciences and the Downtown Center will be considered separate campuses.

The membership of the Campus/Center Grade Appeals Committee will be chosen from a resource pool of faculty, advisors, counselors, and students. The pool will be jointly appointed by the Campus Academic Dean/Center Administrator and the Faculty Senate President. The Campus Academic Dean/Center Administrator will convene the Committee, which will be comprised of seven members from the pool, and serve as the Chairperson. Faculty will constitute a majority of the Committee. Only one member may be from the affected department. One member will be a student. The remaining members of the Committee will be representative of a cross-section of academic disciplines and student personnel areas.

The Campus/Center Grade Appeals Committee will meet on an as-needed basis. The Committee will have three weeks from the time the Grade Appeal Request Package is received to hold a meeting. The Chairperson of the Committee will notify all affected parties of a

Grades and Grade Appeal Process

hearing date no less than five days prior to the hearing and will distribute all necessary documentation.

The Campus/Center Grade Appeals Committee will review the *Grade Appeal Request Package*. It will consider whether or not the Faculty member followed the College grading policy as specified in the Catalog, in the *Broward Community College Policy Manual*, in the *Broward Community College Faculty/Staff Handbook*, and in the course syllabus. In addition, the Committee will consider other relevant College policies.

The student will be advised of the Campus/Center Grade Appeals Committee's decision by the Academic Dean/Center Administrator within five duty days of the hearing. The decision of the Campus/Center Grade Appeals Committee will be final and binding, pending a review of the decision and the documentation by the Vice President for Academic Affairs for completeness and consistency.

If the Vice President for Academic Affairs is satisfied that the decision is appropriate, he/she will transmit the grade change, if any, to the Associate Vice President of Enrollment Management/College Registrar. If the Vice President for Academic Affairs has concerns about the decision, he/she will indicate those concerns in writing to the Campus/Center Grade Appeals Committee and ask the Committee to reconsider its decision. If the reconsideration by the Campus/Center Grade Appeals Committee results in an impasse between the Vice President and the Committee, the Committee may appeal to the President of the College.

Religious Observances

The Religious Observance policy assure the right and freedom of religious choice on campus.(4.20)

Broward Community College values the right and freedom of religious choice by all individuals. Accordingly, the College will seek not to schedule major college events, such as major class assignments, major examinations, and official ceremonies, on major religious holidays whenever practicable. Reasonable alternatives shall be provided for students to carry out their responsibilities as students when their religious observance, practice and belief interfere with admission, registration, class attendance, examinations, class work assignments, and participation in official ceremonies.

Religious Observances

Students may seek redress when they believe they have been unreasonably denied educational benefits because of their religious beliefs or practices by Community College Policy 6Hx2-4.19, Grades and Grade Appeal Process.

Students shall notify instructors in advance of absences to observe religious holy days in their own faith, and shall be excused from such absences without penalty. However, if non-penalized absences occur on the first day of class, students shall notify their instructors of the reasons for their absences at the next class meeting. Students shall be held responsible for material covered during their absences and shall be granted a reasonable time to make up any work or tests missed for non-penalized absences.

All absences shall be subject to the provisions of Broward Community College Policy 6Hx2-4.18, Class Attendance.

College Ombudsman

Broward Community College has designated personnel to serve as ombudsmen to advocate for student issues.

The campus/center chief student affairs officer shall serve as the campus/center Student Ombudsman, and will serve as an advocate for students' general issues and concerns. The campus/center chief student affairs officer will guide students to appropriate personnel, and provide students with appropriate College policies and procedures.

If a student's issue is related to academic standards of progress, graduation requirements, access to courses, or other academic policies, the campus/center chief student affairs officer will refer the student to the Academic Standards Committee. The Academic Standards Committee makes recommendations to the Vice President for Student Affairs upon reviewing the student's petition and interviewing the student. The Vice President for Student Affairs shall approve or disapprove recommendations from the Academic Standards Committee in his/her role as the College Student Ombudsman.

The College Ombudsman is the Chief Student Affairs Officer for the College, Vice President for Student Affairs, Robert Cabello. The Campus Ombudsman for each campus is the Dean of Student Affairs at each campus, and the Director of Student Affairs at each center. See page 12 in this handbook for names and office numbers.

Petitioning the Academic Standards Committee

The college provides students with an Academic Standards Committee, which is empowered to address students' requests for exceptions to academic policies.

The Academic Standards Committee hears appeals from students on matters related to academic policies such as standards of progress, graduation requirements, and repeating courses. The Committee makes recommendations to the Vice President for Student Affairs. The following procedure shall apply to requests for exceptions to established academic policies:

- 1) The student shall complete the Academic Standards Petition that is available at all student affairs offices. The Petition shall include all pertinent and relevant documentation such as transcripts, letters from the transferring institution, medical documentation. If the petition is a request for admission while on suspension or dismissal from another institution, the student should include a letter of support (if available) to attend Broward Community College from the previously attended institution.
- 2) The campus/center chief student affairs officer or designee must sign the petition and forward it to the College Registrar's office no later than one week prior to the scheduled meeting. Exceptions must be approved through the campus/center chief student affairs officer.
- 3) The dates, places and times of the Academic Standards Committee are published in the College calendar and can be obtained from the campus/center student affairs offices.
- 4) In cases involving entering or re-entering Broward Community College after suspension, the student shall be required to attend the meeting. Students will appear before the Committee in order of sign-in.
- 5) After careful review of the petitions the Committee shall make recommendations to the Vice President for Student Affairs. The Vice President for Student Affairs approves or disapproves the recommendations from the Committee.
- 6) The student shall be notified in writing of the Vice President's decision.
